Shape Of My Heart

Words & Music by Max Martin, Rami Yacoub & Lisa Miskovsky

1. Baby, please try to forgive me.
(Verse 2 see block lyric)

Stay here, don’t put out the glow.
Hold me now, don't bother if every minute it makes me weaker. You can save me from the man that I've become. Oh, yeah. Looking back on the things I've done, I was trying to be someone.

I played my part and kept you in the dark. Now let me...
show you the shape of my heart.

I'm here with my confession. Got nothing to hide

no more. I don't know where to start, but to

show you the shape of my heart.
I'm looking back on things I've done. I never wanna play the same old part and keep you in the dark.

Now let me show you the shape of my heart. Look

back on the things I've done, I was trying to be someone.
Verse 2:
Sadness is beautiful
Loneliness is tragic
So help me
I can't win this war, oh no
Touch me now, don't bother
If every second it makes me weaker
You can save me from the man I've become.

Looking back etc.

(Verse 2 see block lyric)

one, baby. You gotta hear me out...

Do you really think I'd be the last to know what it's all about? Let's talk about

who you say is the essence of your life. But he'll

eat you up from inside slow. And then he doesn't wanna know. I'm tellin' you he'll
eat you up from inside.
And then he doesn't wanna know.

Listen, I mean it. There's nothing that he's worthy of.

He's just another player, playing in the name of love.

I've seen enough, now this must come to an end.
Get another boyfriend. 2. Let's talk about another boyfriend. Get another boyfriend.

Vocal ad lib.

Hey, yeah.

Hear me now, you must know what it's all about.
He's just a player in love. This must come to an end...

Get another boyfriend.

Listen, I mean it. There's nothing that he's worthy of.

He's just another player, playing in the name of love.
Verse 2:
Let's talk about what he's done
To become your number one
Or was it another promise
'Cause a promise doesn't buy the dresses that turn you on
I've seen it before
Anymore, three, two
You're through for sure
Just go get on with your life
Stop acting like you're giving up
I'm telling you
Go get on with your life
Stop acting like you're givin' up.

Listen, I mean it etc.

Words & Music by Dan Hill

It's in the silences, the words you never say... I see it in your eyes always

anybody ever stay in love anymore?

I promise you from the bottom of my heart.

With everything. I am.
I see you look at me when you think I'm not aware.

You're searching for clues of just how deep my feelings are. How do you prove the sky is blue, the oceans wide?

All I know is what I feel when I look into your eyes. I promise you from the
bottom of my heart, I will love you til death do as part. Darlin', I promise, yeah.

1. You see me sitting here, a smile upon my face.... The time has come, but you know

(Verse 2 see block lyric)
that it’s not too late. There’s been too many things together we have seen.

It’s not that hard if we start to believe and we’re not gonna take any more.

Can we try to erase all the pain? So please

show me a reason, give me a sign, tell me the way we fall.
out of line... Is it today or is it tonight? We'll find...

the answer to our lives... Oh yeah.

So tell me why we have to cry.

When there's so many things we can do to help...
this troubled world start a new.

I need a reason, I need a sign, there's

no turning back I'm here by your side. Is it today or may-

- be tonight? The answer to our lives.
Show me the way, give me a sign. Tell me the way we fall out of line. Is it today?

Is it tonight? The answer to our lives. Show me a reason, give me a sign. Tell me the way we fall...
Verse 2:
This world is not at ease, we seem to hide the truth
Thinking there's only so much we can really do
It's up to you and me, to face our destiny
The jury's here so let's take the stand
And we're not gonna take anymore
Can we try to erase all the pain
So please.

Show me a reason, give me a sign etc.
